Medicine for those in need

Partnerships for Health: Enabling Medicines Access for All

Alex Harris, IHP

Our Mission

IHP coordinates the safe and responsible donation of medical products from the healthcare industry to those who would otherwise have no access in the developing world.
Impact

• 170 donors across Europe
• 35 million treatments
• Distributed to 105 countries
• Helping 2,000 medical missions
• Responding to 30 disasters

Role of Business in Society

CORPORATE SOCIAL RESPONSIBILITY
• UN Declaration on Human Rights
• Milton Friedman – profits only debate
• 1990s globalisation, connected world

FROM PHILANTHROPY TO SHARED VALUE
Changing Times

- MDGs to SDGs
- Growing gap to poorest
- Championing private sector

- Industry Consolidation
- Pricing pressures
- Counterfeiting

Health Assessment

- Intractable crises
- Funding shortfalls
- Supply Chain fragility
- Skills Gaps
- Essential meds and chronic care
- WHOPEN - NCDs
What can the industry do?

RE-ACTIVE
Maximising supply chain efficiency

PRO-ACTIVE
Planned interventions
Multi year commitments

Opportunities to engage
